

HOW TO PLAY

It's as easy as 1, 2, 3.

1. Simply mark between 1 and 15 numbers for regular Keno. Use a crayon and mark "X" over the numbers you like.
2. Write the amount you wish to wager on the game in the "Price Each Game" box on the right side of the ticket.
3. Mark the number of spots you have chosen in the right hand margin of the ticket.

Note: Any game ticket not marked with an "S" or other designation goes as a regular ticket.

There are 80 numbers on the board and 20 are drawn each game.

Now watch the game and when you win, **COLLECT YOUR MONEY!**

MULTI-KENO

Multi-Keno means your games are played for more than one game at a time. You may select between 2 and 1,000 games at one time (same numbers) and sit back and enjoy the game without any interruptions. All tickets of **21 games** or more have **one year** from the date of purchase to collect

QUICK PICK

It's fast and easy - simply let the computer pick your numbers. All other rules remain the same.

KENO RULES

\$25,000 Aggregate Payout Limit to all players participating in each game. Winning tickets in excess of limit will be pro-rated by percentage

For your protection please check your ticket. All errors must be corrected prior to the start of each Keno game. We pay according to the **computer-generated ticket only**. Tickets not corrected go as valid wagers and shall govern any payoff. Winning tickets must be collected within 72 hours (21 games or more have 1 year to collect).

Official results of Keno games are determined by the **actual** balls drawn. Keno boards are provided for your convenience and are official only when they correspond to balls drawn.

KENO RUNNERS

Keno Runners are for your convenience and are instructed not to wait for any tickets that are not ready for the current game. Tickets carried by Keno Runners are not valid wagers until accepted at the Keno Counter.

We cannot be held responsible for **any** tickets that are late for the current game or tickets missed by Keno Runners.

IRS

The IRS requires that casinos report winning tickets of \$1,500 or more. All tax liabilities are the sole responsibility of the player.
